NOTICE TO PROPERTY OWNER

_____ The property owner will be responsible for all underground utility lines. This includes but is not limited to any and all telephone/internet lines, satellite/cable TV, sprinkler lines, water and/or well lines, sewer pipes/lines, septic tank drains and associated plumbing, and personal power supply lines to any structures/fixtures on the property. All lines, pipes, drains, wires, and landscaping will be the responsibility of the Homeowner to repair.

_____ Under normal conditions, at the time of installation, C-NGA will repair and clean up the area, to the best of their ability. Thereafter, responsibility of the clean-up becomes the Homeowner's. If abnormal yard conditions exist when the customer requests a service line to be installed it will be the responsibility of the Homeowner for all repairs to the yard associated with the installation of the service line.

I, _____, have read and received a copy of C-NGA's service line policy. I have also had the opportunity to ask questions regarding C-NGA's service line policy. By signing below, I am stating that I understand C-NGA's service line policy and have no further questions.

I, _____, have authorize employees of C-NGA or agents the right of access to my premises supplied with gas service at reasonable hours, for the purpose of reading meters, examining facilities and pipes, maintenance, installation, repair, observing the manner of using service and for any other purposes which are proper and necessary to conduct the gas system's business. Upon request of a customer, the C-NGA representative will produce proper identification and inform the customer of the purpose of necessary access to the to the premises.

I, _____, acknowledge that the service line shall not be configured or installed in any location where it may be reasonably be expected to be exposed to damage, impairment or any unduly dirty or inaccessible location.
